1. Properly Conduct eWIC Transactions

eWIC Transaction Overview

- VT eWIC cards use an electronic system specific to Vermont WIC.
- Authorized retailers must work with EPPIC to be connected to the VT eWIC system that accepts eWIC cards.
- Transactions have different requirements depending on whether they are Integrated or Stand-beside

1. Properly Conduct eWIC Transactions

eWIC Transaction Overview

- Payment for each successful transaction is processed on a 24 hour cycle, 11:30 am – 11:30 am
- Grocers may submit a claim, or invoice, to the Grocer Manager for payment if they believe a transaction did not process correctly and further payment is due.
- Conversely, the State may invoice the Grocer directly if a payment processed incorrectly.
- All Claims must be submitted within 30 days of the transaction and paid within 30 days of submission.

1. Properly Conduct eWIC Transactions

eWIC Transaction Overview

- The system will identify if food is WIC-approved. No need for cashiers to decide.
- If purchase quantity or amount is greater than benefits on card, participant may use another payment source (“split tender”) or choose to not purchase the food.
- If a WIC customer forgets their PIN, they can call Customer Service (24/7 toll-free number on back of card)

1. Properly Conduct eWIC Transactions

How eWIC differs from SNAP EBT

- eWIC card is good ONLY for WIC-approved foods
- **No refunds** for returned WIC foods;
Only exchanges for exact item are allowed
- **No manual voucher** if eWIC system is down
- WIC benefits **expire** at the end of each month
- No rainchecks allowed

2. What if...?

2. What if...?

The WIC customer forgets their PIN

- WIC Customer can call Customer Service 24/7 at 1-855-769-8890 for PIN problems.
 - The number is printed on the back of their card
- **After three wrong PIN attempts**
 - WIC customer will be “locked out” until midnight that day, or
 - until they call Customer Service or the WIC office for a “reset.”

2. What if...?

System won't read eWIC card

- Cashier may manually enter 16-digit card number
- WIC customer should call Customer Service (24/7; 1-855-769-8890; Printed on back of card)
- Cashier should encourage the WIC customer to call for a new card if the card is visibly damaged or if problems persist

2. What if...?

Non-approved food item included in purchase

- Explain the item is not an approved WIC item
 - Show VT WIC Foods guide to customer if appropriate
- Ask participant if they want to:
 - include item in non-WIC purchase with other form of payment (SNAP, cash, debit, credit), or
 - not purchase the item
- If there are problems, manager is encouraged to call Vermont WIC's main office at 802-863-7333

2. What if...?

A fresh fruit or fresh vegetable that should be approved does not go through

- Check that the produce item's UPC is mapped to 4469 or other retailer assigned PLU.
 - If not, system will return “rejected” message
- Participant will need to:
 - Use other method of payment, or
 - choose to not purchase the item
- Store must update system by mapping rejected item
 - Send notice to corporate contact or in-store IT support

2. What if...?
